

This natural supplement is designed to help the body maintain proper functioning of mucosal lining. It stimulates the body's natural defense mechanism: improves quality and quantity of protective substances coating the intestinal wall and helps digest food.*

Directions: As an adult dietary supplement, chew 1 to 2 tablets 20 minutes before each meal. As with all dietary supplements, consult a healthcare professional before using if you are pregnant, lactating or have a medical condition.

- Keep out of reach of children.
- Protect from heat, light and moisture.
- Do not store in direct sunlight.
- Do not purchase if seal is broken.
